Adaptive Practice Quiz

Or

Create your own Quiz

Create your own quiz by selecting question types and learning objectives:

1. Choose Your Quiz Mode:
 - Practice Practice mode reveals the correct answer with an explanation after each question is answered.
 - Test
 - Simulation
2. Choose Your Question Types:
3. Pick Your Difficulty Level: All Easy Medium Hard
4. Specify Learning Objectives: All Select Learning Objectives

Total 25 selected

Disciplines Organ Syst...

1.1 Behavioral Sciences

The top left menu, gives more options, for example a full length step practice.

The screenshot displays the McGraw Hill Education USMLE Easy interface. A top-left navigation menu is open, listing various options: Dashboard, Course Stream, Start Practice, My Study Plan, Assignments, Full Length Test, Study Center, Flash Cards, Lectures, My Reports, Quiz Performance Report, Skill Report, and Proficiency Report. A green circle highlights the 'Start Practice' option. The main content area shows a configuration screen for a practice session. It includes a 'Create your quiz' button, a section for 'Question types and learning objectives', and a 'Practice mode' tooltip that states: 'Practice mode reveals the correct answer with an explanation after each question is answered.' Below this, there are checkboxes for 'Easy', 'Medium', and 'Hard', all of which are checked. There is also an unchecked option for 'Select Learning Objectives'. At the bottom right, it indicates 'Total 25 selected'.

The course stream, allows you to post messages.

The screenshot displays the top navigation bar of the USMLE Easy platform. On the left, the McGraw Hill Education logo is visible. The main navigation menu is open, listing several options: Dashboard, Course Stream (highlighted in blue with a black arrow pointing to it), Start Practice, My Study Plan, Assignments, Full Length Test, Study Center, Flash Cards, Lectures, My Reports, Quiz Performance Report, and Skill Report. The background shows a blurred view of the course content, including a green circle, a vertical line with the word 'Or' next to it, and a section titled 'Question types and learning objectives:'. A dark tooltip box is overlaid on the page, containing the text: 'Practice mode reveals the correct answer with an explanation after each question is answered.' At the bottom, there are checkboxes for 'Easy', 'Medium', and 'Hard', all of which are checked, and a radio button for 'Select Learning Objectives'.
