

SAINT JAMES SCHOOL OF MEDICINE STUDENT NEWSLETTER

Vol. 23 Issue 29 April 2013

NEW LIBRARY RESOURCE

The library has compiled a list of free medical apps which you can see on a new page: <http://www.sjasm.org/library/app-links.html>

LOGIN INFO ON THE PORTAL

This is a reminder that the login info for the library will be posted on the student portal. The login password and/or the username will be posted to the portal and this will change once in a while, so if you cannot login, please check the student portal.

ONLINE MEDICAL LOGBOOKS

All students starting core rotations after February 15th will now be required to submit a daily log which in order to complete the core rotation and obtain the final grade. A minimum of 20 entries per week are required. The Mobile Medical Logbook application, which can be operated on the phone or computer, must be used for this purpose. Students without smartphones, or those who encounter internet problems on their computers will be able to fill out paper forms which can be downloaded from the school website and are also available from the Clinical Department on request. This application works best on Google Chrome and Safari.

In case of problems or questions related to log books please email Dr. M. Shehu, Clinical Director, at mshehu@mail.sjasm.org. In case of technical problems please email Oscar at oandrade@mail.sjasm.org.

BONAIRE IMED LISTING

Over the past few months there was a significant amount of information circulated regarding the accreditation of SJSM Bonaire and its IMED listing. SJSM has made several announcements regarding the matter. Recently the Ministry of Education in Netherlands has written a letter supporting the school's request for 5-year extension on IMED listing and accreditation requirement. This means that SJSM has until October 31st 2018 to complete the accreditation process with NVAO. Until then the IMED listing will remain intact.

VISITING PARK RIDGE OFFICE

In the event that you need to visit our offices in Park Ridge, IL, please make sure that you make an appointment with a person you want to meet ahead of time. This will ensure that the person you want to meet with is there during the time of your visit and is able to address any questions you may have. Otherwise we cannot guarantee that you will be able to meet with the correct person.

WELCOME NEW FACULTY

Saint James has recently welcomed two new faculty members to the Bonaire campus. Rana Zeine, MD, PhD and Adam Allen, MBBS. Dr. Zeine has over 20 years of clinical practice, teaching, and research experience prior to joining us in Bonaire and Dr. Allen has over 6 years of combined teaching and clinical practice experience. Dr. Zeine will be teaching Pathology and Dr. Allen will be teaching Anatomy.

We have also welcomed two new professors at the Anguilla campus. Mufaddal Najmuddin, MBBS has about 3 years of teaching experience prior to joining us and William Farris, MD has about 9 years of teaching experience prior joining us. Dr. Najmuddin will be teaching Pathology and Dr. Farris will be teaching Physiology. A warm welcome to them all.

RESIDENCY MATCH

We are excited to announce this year's residency match results. Below is the list of our graduates who matched for residency. We are happy to see that several of our graduates have matched for some very competitive programs. We would like to congratulate our graduates on their success and wish them all the best during their residency.
