Library Improvements

Plans are being worked out to renovate and refurbish the library to make it more user-friendly. Several new reference books have been purchased and we are looking into Internet access to several periodicals that have been recommended by the faculty and the possibility of providing Internet access to a medical information database.

We are also in process to conduct several other improvements that will increase student's participation and morale. We are in process of ordering several pieces of electronics and furniture that will change the look and feel of the campus.

Alumni News

The alumni page on the SJSM website is being expanded to include news and information for our graduates. We have added an alumni information form that our graduates can complete and forward back to us. We also have plans for an alumni news page where we can post announcements or provide other important information for the alumni. This will help us to develop an alumni network and keep everyone connected. We will also be polling the graduates soon to determine the feasibility of having a graduation ceremony and celebration in Chicago for all of our alumni. Suggestions and feedback from our student body is always appreciated.

Fred

We welcome the Class of Fall 2009

Saint James School of Medicine is proud to Welcome the students of the Class of Fall 2009. There will be two new incoming groups, MDI class and the PMI class. We are proud to have you aboard and we look forward to working with you in the next several years.

Raj

Message from the SGA

We are pleased to inform that the members of SGA are now actively participating in the monthly campus evaluations. These evaluations will help the administration in determining which renovation/ maintenance projects to take upon.

Social events scheduled for the next 30 days:

- MD Feud

-Smit Deliwala,
SGA President

Graduating Class

We would like to say special Thank You for the 29 students graduating this summer. It was pleasure having you in Bonaire and we look forward working with you in the Clinical Sciences.

Please contact our Clinical Science Coordinator for any details you would like to know about this part of the program.

Dan

Book List

It has come to our attention that the list of books on the website and the list of books new students received in the welcome packet were not accurate. We sincerely apologize for the inconvenience this has caused especially to the new Fall 2009 class.

The correct list of books has been posted on our site.

SJSM

Message from Finance Dept.

August 7th was the deadline for tuition payments for Fall. If you have not submitted your payment on time please do so at your earliest convenience. If you are late a late fee has been posted on your account. Please contact the school to avoid further penalties.
