### Thank You

On April 17, Saint James held its first Commencement Ceremony at the Oakbrook Marriott in Chicago. This was a major event in our history not just because it was the first graduation ceremony but also because it was Saint James' 10th Year anniversary. The evening was indeed a great success and we would like to thank everyone who was involved in making this event memorable. Photos of the event as well as video footage will be available shortly in the website photo gallery. Thank you so much for coming out and celebrating with us, and all of us at SJSM would like to wish you the best of luck as you pursue your dreams!

*Hope everyone is enjoying their break!!*
