

## New Campus

Saint James is pleased to announce the opening of its third campus located on the Caribbean island of St. Vincent. With the launch of its new campus, Saint James now has three campuses located in Bonaire, Anguilla, and St. Vincent, the largest of the group of islands that make up the St. Vincent and the Grenadines (SVG). Saint James School of Medicine –SVG opened its doors to its first class of 17 students supported by 6 faculty and staff members on May 6th. We extend them a hearty welcome to the Saint James family. Saint James is proud to be the only Caribbean medical school with 3 campus options available to students.

is teaching Physical Diagnosis and Clinical Correlation of the Basic Sciences. Dr. Malecki will be teaching Pharmacology. Dr. Sterling is teaching Genetics and Biochemistry. Dr. Damuni is teaching Biochemistry and Physiology. Dr. Roche is teaching Histology and Epidemiology and Dr. Bhowmick is teaching Genetics and CCBS.

At our new St. Vincent campus we have three faculty members who have joined and one who will be joining soon. Violeta Nikolova, M.D. who transferred from our Bonaire campus is the Dean. Dr. Nikolova and Jugesh Khanna, MBBS are qualified to teach several subjects. Dr. Nikolova is scheduled to teach Embryology and CCBS and Dr. Khanna is scheduled to teach Anatomy. Rosmond Adams, M.D. is teaching Ethics and Ganapathi Pillay, PhD who will be joining shortly is scheduled to teach Histology.

All of our new faculty members come with several years of clinical practice and teaching and/or research experience. Please welcome them.

## Residency Match

Saint James is happy to announce the names of our graduates who have secured residency positions in this year's residency match. This year our grads have placed in some of the most competitive programs in the United States. We congratulate them all and wish them all the best in their future medical careers. (Please note that some of the students did not agree to have their names published.)

1. Sajeeb Adhikary – Psychiatry, MI
2. Farhan Ahmed – Family Medicine, KY
3. Maria Azeem – Family Medicine, AL
4. Tae Ho Choi – Family Medicine, ND

## News from the IT Department

The IT department has a few reminders to make things easier and more effective for our students.

In the event you forget your student portal login information, please submit a ticket on the SJSM website under Resources, by clicking on IT SUPPORT. Within 24 hours you will receive notification through email once the issue is resolved. Do not use the "forgot your password" link on the student portal for this purpose.

Should you need to reset your ExamMaster password, please use the link on the ExamMaster webpage.

## Update from the Librarian: Online Library Catalog

The library now has an online catalog in which you can check which books are available in the library. Students can search for books that are either at Bonaire or Anguilla. Please note that Ebooks have not yet been cataloged so the catalog only includes the physical books. Click on the "Online Book Catalog" link on the library website: [www.sjsm.org/library](http://www.sjsm.org/library)

## Avoid Immigration Issues

We would like to remind students of the importance of properly taking care of all of

their immigration documents. This is very important and a mandatory task for all students. Governments of each country have the right not to allow you back into the country or to deport you if your immigration status is not up to date. Please realize that, in the event of an issue, the school has no influence on the immigration department and their policies and will have a very limited ability to help you in this matter.

## Open House

We continue to have a huge success with our open houses. Below is a list of some of the ones to we will be having in the near future:

June 3rd- Calgary  
June 5th Vancouver  
June 28th Maryland  
July 11th Detroit  
July 12th Windsor  
July 25th New Jersey  
July 26th New York  
August 11th Tampa  
August 13th Orlando  
August 15th Miami

## Finance

In order to help students get their financial questions answered promptly and accurately, the Finance Department has launched a support page on our website. For Anguilla website visitors, under Resources - > Financial Assistance (for Bonaire/St. Vincent website visitors the form will be available shortly) you can now find a form which you can fill out. By filling out this form, your request gets forwarded directly to Finance Department personnel. You can expect to receive an answer by the next business day.

## Websites: New and Improved

Saint James School of Medicine is pleased to announce the launch of the two brand new websites for our Bonaire and St. Vincent campuses.

Continued...

The websites are user friendly with new colors and themes that represent the unique nature of each island. The two websites are similar in look and feel, while maintaining their own individual identity in line with the campus brand. Feel free to visit the websites at: <http://bonaire.sjsm.org/> and <http://stvincent.sjsm.org/>

SJSM Anguilla has been rebranded with a brand new look as well. Please note the changes to the logo and other elements that embody the history and dynamism that is SJSM Anguilla today. Please visit the website at: <http://anguilla.sjsm.org/>

## SJSM Branding: A Whole New Look

**SAINT JAMES**  
SCHOOL OF MEDICINE  
ANGUILLA BONAIRE ST. VINCENT

SAINT JAMES SCHOOL OF MEDICINE  
**BONAIRE**

SAINT JAMES SCHOOL OF MEDICINE  
**ST. VINCENT**

SAINT JAMES  
SCHOOL OF MEDICINE  
ANGUILLA - WHERE YOU ACHIEVE MORE

In addition to beautiful weather and a world class faculty, the Bonaire, St. Vincent and Anguilla campuses now have new school logos. The logos were designed to support the Saint James School of Medicine logo, but give a personal identity to each campus using the schools individual crests and accent colors. This is just one more way to provide each SJSM campus with a distinctive identity and personality to match unique experience a student can receive at Anguilla, Bonaire and St. Vincent.
